Y8 Residential

I'm sure that we would all want to join together in thanking all staff who are leading and accompanying the Year 8 residential visit and to wish all students well as they embark on a week of adventure. This is a very significant event which will be incredibly beneficial for the students who are lucky enough to be on the trip.

Our thanks in particular, go to Mr Wilson who has taken the lead in organising the programme and the arrangements. We hope that all students going on the trip are looking forward to the activities and do everything they can to make the best of the opportunities that present during the week and that there are many great memories that everyone will take from the experience.

Year 8 students who are not attending the trip will attend school as normal.

We look forward to hearing about the week's activities when staff and students return. Look out for a full report with photographs very soon!

MFL mock French general elections

On Friday 9 June, Ms Taibi's Year 13 French class and the MFL department took part in a "mock" 1st Round French general election as part of their cultural topic this year. Ms Taibi brought all the various political parties manifestos as well as voting slips, which she had received in the post. Students and staff voted in majority for the socialist candidate, Axelle Lemaire.

Y9 CLF Science exam

All Year 9 students will have a CLF wide exam on Friday 30 June. The booklet available [here](#) contains all of the content that needs to be revised.

PE Lost Property

There is currently a large amount of lost property PE kit which will be given to charity shops/Gambia appeal if it is not collected. If students want to come and get some free PE kit, please do so by next Tuesday, 20 June. After this date, all kit will be bagged and disposed of. PE kit can be collected from student reception.

Lost property

Due to space constraints, we are changing our system for dealing with lost property. From now on:

- Items with students' names in will be returned to them.
- Valuables including waterproof/winter coats will be kept until the end of term, then sent to charity.
- Other lost items will be kept in student reception for *one week*, then recycled or thrown away.

We currently have approx. 30 high quality and expensive, premium branded winter coats in lost property. If your child has lost theirs, please encourage them to come and have a look. Or you can telephone the school and ask to speak to Miss Skuse in student reception with a description and she will see if she can find a match.

Best wishes

Mr S White
