CLF Art Students' Work to be Shown at the CLF Exhibition

The following Art students have had their amazing artwork submitted to the CLF art exhibition. This will be held on Thursday evening and throughout the day at the CLF Conference on Friday at the CLF Institute on Russell Town Avenue. There are prizes for best in year group, so we will keep you posted of any of our winning entrants. However, all have produced some outstanding work and all are to be congratulated on their creativity and skill.

Incredible Performances at Cabot's Got Talent

The evening of Tuesday 2nd July was brimming with talent from all ages and abilities. It was great to see so many students pushing themselves to do better and take risks to perform to a paying audience.

We had three great judges: Mr Williams, Mr Titterington, and former student and Bristol musician Grace Veitch. Our tech team was outstanding; as was our compère, Y9 Harry Bowley.

The Year 10 band Valley Road (Dylan, Keyan, Maddy and CJ) took 1st place, and deservedly so. Second place went to Year 7 Lily Batchelor with her tap dancing, and third place went to Year 10 Tia Sutherland for a vocal solo. The judges had a very difficult task choosing from such an exceptional pool of talent. Overall, a great evening was had by all. Thank you to students, staff and parents for making it a huge success!

Library News: Word Millionaires and Overdue Library Books

Charlotte Britton 1,002,275 words	Raegan Barber 2,018,942 words
--------------------------------------	----------------------------------

Congratulations to our latest Accelerated Reader Word Millionaires, who have been busy earning star badges for their blazers. Outstanding effort!

Please check your homes for overdue library books. The library currently has over 500 books out on overdue loans, and lots of these books are in demand. Books belonging to our school library normally have a genre sticker on the book's spine, as well as a date stamp sheet and barcode sticker on the first page behind the front cover. Books can either be handed in to the front desk on reception by a parent, or returned by students using the dropbox located in the main hallway outside the library door. Please help us take care of our library by returning books once they have been read.

If you would like to know what books are popular with younger readers or find out which new titles have just been added to the library shelves, please follow us on Twitter: [@LibraryJCA](https://twitter.com/LibraryJCA). We like to share recommended reading lists, competitions and events taking place in the library, arrivals of new stock and book returns, and anything else bookish we think students and parents may appreciate. Please stop by and find out more about your library.

A Great Night for JCA at Battle of the Bands

A huge congratulations to our year 7 and year 10 students on their fantastic performances in CLF Battle of the Bands last night at City Academy. They were all brilliant, and the year 10 band Valley Road won with their original song, *Darkness in my Mind*.

They will be performing more of their work tonight at Cabot's Got Talent, and in the summer concert on 18th July.

Mental Health and Wellbeing in Schools

The Anna Freud Centre for Children and Families does a lot of work in supporting mental health in schools. They have recently brought out a booklet about engaging parents and carers, which can be accessed by [clicking here](#). In addition, the Anna Freud Centre has also published guidance on how to support young people at secondary school with mental health issues, which can be downloaded [here](#).

Term-Time Canteen Vacancy

The Canteen is recruiting for a Food Service Assistant. We are a small friendly team preparing and serving Breakfast, Morning Break, and Lunch for JCA students. Starting in September, the successful candidate would work 10am to 2pm weekdays, term time only. Experience would be useful, but is not essential, as full training will be given. Successful candidates will be required to undertake a DBS check. For more details, please contact kevin.george@sodexo.com.

See overleaf for Key Dates.
