Further Sporting Success for Josh

Josh Maggs in Y10 (Rowling) is competing in the English Nationals in Cardiff this week in the 200m. He is currently the 15th fastest Y10 in the country and 64th fastest in the under 17year category.

He will race on Friday and then the semi’s and the finals are on Saturday. He helped Rowling #BringTheMagic on Sports Day and win for a second year, as well as smashing an 11-year Sports Day record by 2 seconds!

Outgoing Year 11s – Blazers and Revision Guides

We are keen to recycle any old blazers or revision guides for upcoming year groups, and any contributions of such items would be gratefully received. If you would like to donate either of these items, please bring it to Reception.

Overdue Library Books

Please check your homes for overdue library books. The library currently has over 500 books out on overdue loans, and lots of these books are in demand. Books belonging to our school library normally have a genre sticker on the book's spine, as well as a date stamp sheet and barcode sticker on the first page behind the front cover. Books can either be handed in to the front desk on reception by a parent, or returned by students using the dropbox located in the main hallway outside the library door. Please help us take care of our library by returning books once they have been read.

If you would like to know what books are popular with younger readers or find out which new titles have just been added to the library shelves, please follow us on Twitter: [@LibraryJCA](https://twitter.com/LibraryJCA). We like to share recommended reading lists, competitions and events taking place in the library, arrivals of new stock and book returns, and anything else bookish we think students and parents may appreciate. Please stop by and find out more about your library.
