We are proud of how our students have matured and developed as designers and artists over this past year and wish to celebrate and share the wonderful and thought provoking work they have produced. The work will display a diverse range of skills, talents and techniques, not to mention hard work and dedication. This year, we are displaying work by students from Year 9 to Year 13 and from a range of disciplines.

Prizes are kindly being donated by Cass Art, the UK's leading independent art supplies retailer. With shops across the UK and an online store, Cass Art is committed to encouraging everyone to realise their creative talents by providing the world's top quality materials at guaranteed best prices.
