## Envision Community Apprentices Trip to Direct Line Offices

A group of Year 10 students visited the offices of their business mentors at Direct Line on Thursday.

The students are part of a Community Apprentice Project, which involves them competing against other schools in the local area to fundraise for a charity of their choice. The JCA cohort have picked a local charity called the Hive who run a drop in centre in Kingswood to support adults who have learning disabilities. The team have named themselves the 'Busy Beez' and are planning a range of fundraising activities both at JCA and at the offices of Direct Line. As well as working with their business mentors to practice their 'pitch' and discuss fundraising ideas, the students received a tour of the offices which included an 'ideas pad' with walls that you can write on, a break out room with gaming facilities and an air hockey table and a liquorice allsorts themed meeting room!
